### THE DRAFT TEST

The NCA Draft Test is a series of exercises designed to develop and demonstrate the natural abilities of purebred Newfoundland Dogs. While working in a capacity involving hauling, the dog and handler must demonstrate teamwork skills. The Newfoundland has historically functioned as a draft dog in various capacities, and the performance of these exercises is intended to demonstrate skills resulting both from natural ability and training that are applicable to realistic work situations.

The dogs must be willing to work with their handlers and the exercises must be accomplished efficiently. The goal of each handler is to maintain control while encouraging his dogs' natural independence; together, they demonstrate teamwork.

## Covid-19

- Although we will not require a COVID release for our tests, we do ask that you respect our workers, judges and your fellow exhibitors and ask that IF you are not feeling well or have tested positive for COVID that you not attend our tests.
- If the State of Ohio, Mahoning County or the CDC makes any significant changes at the time of our tests, we will make you aware of same.

## Dog Aggression

The WDC and the NCA have adopted the AKC official policy concerning dog attacks that lead to an injury, either to a person or to another dog. Also, Draft Test judges may excuse, and even ask to have removed from a test site, if necessary, any dog that appears dangerous to other dogs or persons. Actual reports of dog attacks causing injury to either a dog or a person would go directly through the grievance process. If a judge excuses a dog for aggression that automatically creates a grievance that must be handled by the WDC. AKC Rules Applying to Dog Shows: Chapter 11, Section 15- Any dog, that in the opinion of the Event Committee, attacks a person or dog at an AKC event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified by the Event Committee pursuant to this section, a report shall be filed with the Executive Secretary of The American Kennel Club. The disqualified dog may not again compete at any AKC event nor be on the grounds of an AKC event unless and until, following application for reinstatement by the owner to the American Kennel Club, the owner receives official notification in writing from the AKC that the dog's eligibility has been reinstated
