THE DRAFT TEST

The NCA Draft Test is a series of exercises designed to develop and demonstrate the natural abilities of purebred Newfoundland Dogs. While working in a capacity involving hauling, the dog and handler must demonstrate teamwork skills. The Newfoundland has historically functioned as a draft dog in various capacities, and the performance of these exercises is intended to demonstrate skills resulting both from natural ability and training that are applicable to realistic work situations.

The dogs must be willing to work with their handlers and the exercises must be accomplished efficiently. The goal of each handler is to maintain control while encouraging his dogs' natural independence; together, they demonstrate teamwork.

ENTRIES

Entries on Saturday, November 6, will be limited to 4 BDD, 5 DD/TDD and 3 DDX for a total of 12 entries. If there are fewer than 3 DDX entries, the remaining slots may be filled with BDD, DD/TDD entries. Dogs Eligible to Compete

The NCA Draft Tests will be open to purebred Newfoundland dogs at least eighteen months of age. The word 'dog' in the NCA Draft Test Regulations refers to either sex. All entered dogs must have an AKC registration number, ILP or PAL number, foreign registration number, or AKC or foreign litter number.

BITCHES IN SEASON may participate in NCA Draft Tests. Bitches in season will be tested at the end of the competition after all male dogs are judged. When not being tested, bitches in season must be contained in a designated area well away from male dogs and the official test areas.

DOGS NOT BEING TESTED AT THE TIME are not permitted in the official Draft Test Areas. As specified in the Draft Test Regulations, 90 minutes before the start of judging, handlers and dogs (except bitches in season) are allowed a 30-minute period to familiarize themselves with the test area. Handlers may walk with their dogs on lead but not hitched to an apparatus. Handlers will not be permitted to walk the Maneuvering or Distance Freight Haul courses after this time period.

UNENTERED DOGS (except bitches in season) are welcome to join us at the test site. Please remember that all unentered dogs must remain well away from the main test area during judging so as not to disturb any competing dogs.

Site Description

NEO Retreat Center is a church camp that has 173 acres and 35 miles of hiking trails. The test site is composed of varied terrain, including grassy areas, wooded paths, paved areas and shade trees. The site has a shelter containing 3 rooms. There is electric and air conditioning and a raised stone fireplace against the north wall in the meeting room. There is an attached 25 by 50 gravel floor pavilion with picnic benches and approximately 30-40 plastic chairs. The ground slopes away from the facility to the west and south with a large level area to the south of the pavilion and a smaller fairly level area to the west of the shelter. The area behind the shelter is level and goes back to the tree line.

The maneuvering course will utilize natural and manmade obstacles such as trees, fences and barrels. The basic control ring will be held on a flat grassy area. Natural distractions include rabbits, squirrels, ground hogs, deer and wild turkey.
